EPDs highlighted in yellow are in the top 25% for the breed.

Breed Averages: 10.6 1.8 74.8 110.7 5.6 23.7 32.2 0.05 -0.10 0.9 128 75

Key: HP = homozygous polled; P = polled; S = scurred; BB = homozygous black; Bb = heterozygous black

Docility scores: 1 = calm 2 = calm in the pasture or with a group but may become nervous when separated

Sale format: All cattle have a listed price. Prior to 1:00 pm on November 14, buyers will write their buyer number next to the tag # of any cattle they are interested in. At 1:00 pm, we will bid off any cattle that have two or more potential buyers listed. The bid off will only take place between the buyers that expressed interest and wrote their number down. Expressing interest in a particular lot is not an obligation to bid. If an animal only has one buyer number listed, then the buyer may purchase the animal at the base price. There will be phone bidding for those unable to attend. Sale order will be determined by the number of buyers listed by each animal. The animal with the most number of buyers listed will be first.
